Summary

Senior Software Engineer with Background in Distributed Systems, P2P and Privacy technology,

Experience

Everything

Master in AI

May 2020 - Present (3 months +)

I am trying to get people recognised in the field of AI.

Anyone can come at masterinai.com and clear our exams and assignments with a decent score and can get a certificate saying that they are as good as someone with a Master in AI. But more than that I will link them with first-mover companies and help them get a job.

Software Engineer

Protocol Labs

Dec 2018 - Jan 2020 (1 year 2 months)

Member of IPFS Organisation(<https://github.com/ipfs>)

Helped in developing github.com/ipfs/ipfs-cluster

<https://cluster.ipfs.io/>
